WESTERN DISTRICT OF TENNESSEE
WESTERN DIVISION

In re ACCREDO HEALTH, INC. SECURITIES) LITIGATION)	Civil Action No. 03-2216-BBD
_____) This Document Relates To:) ALL ACTIONS.)	<u>CLASS ACTION</u>

NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION

If you purchased or acquired Accredo Health, Inc. (“Accredo”) common stock on the open market during the period from June 16, 2002 to April 7, 2003, inclusive (the “Class Period”) and are not otherwise excluded from the Class, you could get a payment from a class action settlement.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

Security and Time Period: Accredo common stock (symbol “ACDO”) purchased or acquired between June 16, 2002 and April 7, 2003, inclusive.

Settlement Fund: \$33,000,000 in cash. Your recovery will depend on the timing of your purchases or acquisitions and any sales of Accredo common stock during the Class Period. Based on the information currently available to Lead Plaintiffs and the analysis performed by their damage consultants, it is estimated that if Class Members submit claims for 100% of the shares eligible for distribution under the Plan of Allocation (described below), the estimated average distribution per share will be approximately \$1.31 before deduction of Court-approved fees and expenses, including the cost of settlement administration. Historically, actual claims rates are less than 100%, which result in higher distributions per share. A Class Member’s actual recovery will be a proportion of the Net Settlement Fund determined by that claimant’s recognized claim as compared to the total recognized claims of all Class Members who submit valid Proof of Claim and Release forms (“Proof of Claim”).

Reasons for Settlement: Avoids the costs and risks associated with continued litigation, including the danger of no recovery.

If the Case Had Not Settled: Continuing with the case could have resulted in loss at summary judgment, trial or on appeal. At the time the settlement was reached, summary judgment motions were pending. The two sides vigorously disagree on both liability and the amount of money that could have been won if Lead Plaintiffs prevailed at trial. The parties disagree about: (1) the method for determining whether the price of Accredo’s common stock was artificially inflated during the relevant period; (2) the amount of any such inflation; (3) that there was any wrongdoing on the part of Defendants, including whether Defendants acted recklessly or intentionally in reporting Accredo’s financial results during the relevant period; (4) the extent that various facts alleged by Lead Plaintiffs influenced the trading price of Accredo’s common stock during the Class Period; and (5) whether the facts alleged were material, false, misleading or otherwise actionable under the federal securities laws.

Attorneys’ Fees and Expenses: Court-appointed Lead Counsel will ask the Court for attorneys’ fees of 28% of the Settlement Fund and expenses not to exceed \$2,800,000.00 to be paid from the Settlement Fund plus interest. If the above amounts are requested and approved by the Court, the average cost per share will be \$0.48. Lead Counsel have not received any payment for their work investigating the facts, prosecuting this Litigation and negotiating this settlement on behalf of the Lead Plaintiffs and the Class.

BASIC INFORMATION

1. Why did I get this notice package?

You or someone in your family may have purchased or acquired Accredo common stock between June 16, 2002 and April 7, 2003, inclusive.

The Court directed that you be sent this Notice because you have a right to know about a proposed settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the settlement. If the Court approves it and after any objections or appeals (if there are any) are resolved, the Claims Administrator appointed by the Court will make the payments that the settlement allows.

This package explains the lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the case is the United States District Court for the Western District of Tennessee, Western Division, and the case is known as *In re Accredo Health, Inc. Securities Litigation*, Civil Action No. 03-2216-BBD. The persons who lead the Litigation, the Louisiana School Employees' Retirement System and Debra Swiman, are called Lead Plaintiffs and the company and the individuals they sued are called Defendants.

2. What is this lawsuit about?

This Litigation alleges that Accredo and its Chief Executive Officer and Chief Financial Officer violated the federal securities laws by making false and misleading statements, including false financial statements issued during the Class Period, regarding the collectability of Specialty Pharmaceutical Services division ("SPS") accounts receivables, which Accredo acquired in July 2002.

Defendants deny all of Lead Plaintiffs' allegations and that they did anything wrong. Defendants also deny that Lead Plaintiffs or the Class suffered damages or that the price of Accredo common stock was artificially inflated by reasons of alleged misrepresentations, non-disclosures or otherwise.

3. Why is this a class action?

In a class action, one or more people called class representatives (in this case, the Court-appointed Lead Plaintiffs, Louisiana School Employees' Retirement System and Debra Swiman) sue on behalf of people who have similar claims. All of these people and/or entities are called a class or class members. One court resolves the issues for all class members, except for those who exclude themselves from the class. In this case, United States District Court Judge Bernice B. Donald is in charge of this case.

4. Why is there a settlement?

The Court did not decide in favor of Lead Plaintiffs or Defendants. Instead, the lawyers for both sides of the lawsuit have negotiated a settlement, with the assistance of a highly respected mediator, the Honorable Edward A. Infante (Ret.), that they believe is in the best interests of their respective clients. The settlement allows both sides to avoid the risks and cost of lengthy and uncertain litigation and the uncertainty of a trial and appeals, and permits Class Members to be compensated without further delay. The Lead Plaintiffs and their attorneys think the settlement is best for all Class Members.

WHO IS IN THE SETTLEMENT

To see if you will get money from this settlement, you first have to determine if you are a Class Member.

5. How do I know if I am part of the settlement?

The Class includes *all Persons who purchased or acquired the common stock of Accredo on the open market between June 16, 2002 and April 7, 2003, inclusive.*

6. Are there exceptions to being included in the Class?

Yes. Excluded from the Class are Defendants, members of the families of individual defendants, any parent, subsidiary, affiliate, partner, officer, executive or director of any Defendant, any entity in which any such excluded party has a controlling interest and the legal representatives, affiliates, heirs, successors, or assigns of any such excluded Person. Also excluded from the Class are those Persons who timely and validly requested exclusion from the Class pursuant to the Notice of Pendency of Class Action dated July 18, 2008 (and do not retract their request) and those Persons who timely and validly request exclusion from the Class pursuant to this Notice.

7. I'm still not sure if I am included.

If you still are not sure whether you are included, you can ask for free help. You can call 1-866-780-1737 or visit www.gilardi.com for more information; or, you can call Rick Nelson at 1-800-449-4900 or Timothy A. DeLange at 1-858-793-0070 for more information; or you can fill out and return the claim form described in Question 10 to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the settlement provide?

Defendants have agreed to cause to be paid \$33,000,000 in cash (the "Settlement Fund") plus interest earned to be divided among all eligible Class Members who send in valid claim forms ("Authorized Claimants"), after payment of Court-approved attorneys' fees and expenses, and the costs of claims administration, including the costs of printing and mailing this Notice and the cost of publishing newspaper notice (the "Net Settlement Fund").

9. How much will my payment be?

Your share of the Net Settlement Fund will depend on the number of valid claim forms that Class Members send in and how many shares of stock you purchased or acquired during the relevant period and when you bought and sold them.

In the unlikely event there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

A "Claim" will be calculated as follows:

The allocation below is based on the following inflation per share amounts for transaction dates of Class Period common stock purchases, acquisitions and sales as well as the statutory PSLRA 90-day look-back amount of \$18.65:

Date(s) Inflation per share

06/16/02 – 06/17/02 \$9.299

06/18/02 – 04/07/03 \$8.482

For shares of Accredo common stock ***purchased or acquired, on or between June 16, 2002 through April 7, 2003***, the measure of damages realized shall be as follows:

(a) if sold prior to April 8, 2003, the damage per share is zero;

(b) if retained at the end of April 7, 2003, and sold before July 6, 2003, the damage per share shall be the lesser of: (i) the inflation per share at the time of purchase; (ii) the difference between the purchase price and the sale price; and (iii) the difference between the purchase price per share and the average closing price per share up to the date of sale as set forth in the table below;

(c) if sold on or after July 6, 2003, the damage per share shall be the lesser of: (i) the inflation per share at the time of purchase; and (ii) the difference between the purchase price per share and \$18.65 per share.

The date of purchase or sale is the “contract” or “trade” date as distinguished from the “settlement” date.

For Class Members who held Accredo common stock at the beginning of the Class Period or made multiple purchases or other acquisitions or sales during the Class Period, the first-in, first-out (“FIFO”) method will be applied to such holdings, purchases and sales for purposes of calculating a claim. Under the FIFO method, sales of Accredo common stock during the Class Period will be matched against the same type of security, in chronological order, first against securities held at the beginning of the Class Period. The remaining sales of stock during the Class Period will then be matched, in chronological order, against stock purchased during the Class Period.

An Authorized Claimant will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net loss, after all profits from transactions in Accredo common stock during the Class Period are subtracted from all losses. However, the proceeds from sales of stock which have been matched against stock held at the beginning of the Class Period will not be used in the calculation of such net loss. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

The Court has reserved jurisdiction to allow, disallow or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No Person shall have any claim against Lead Plaintiffs, Plaintiffs’ Counsel or any claims administrator or other Person designated by Lead Counsel or Defendants and/or the Related Parties and/or their counsel based on distributions made substantially in accordance with the Stipulation and the settlement contained therein, the Plan of Allocation, or further orders of the Court. All Class Members who fail to complete and file a valid and timely Proof of Claim shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM

10. How will I get a payment?

To qualify for a payment, you must send in a claim form. A claim form is enclosed with this Notice. Read the instructions carefully, fill out the form, include all the documents the form asks for, sign it, and mail it in the enclosed envelope postmarked no later than March 5, 2009.

11. When would I get my payment?

The Court will hold a hearing on February 19, 2009, at 10:30 a.m., to decide whether to approve the settlement. If Judge Donald approves the settlement, there may be appeals. It is always uncertain whether these appeals can be resolved

favorably, and resolving them can take time, perhaps more than a year. It also takes time for all the claim forms to be processed. If there are no appeals and depending on the number of claims submitted, the Claims Administrator could distribute the Net Settlement Fund as early as nine months after the fairness hearing. Please be patient.

12. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself, you are staying in the Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants about the same issues in this case or that could have been asserted in this case. It also means that all of the Court's orders will apply to you and legally bind you and you will release your Released Claims in this case against the Defendants. "Released Claims" shall collectively mean all rights, demands, claims (including Unknown Claims) and causes of action of every nature and description, in law or equity, accrued or unaccrued, and whether known or unknown, and whether arising under federal, state, common or foreign law, that Lead Plaintiffs or any member of the Class asserted, or could have asserted, arising out of, or relating to, directly or indirectly, the purchase or acquisition of Accredo publicly traded securities during the Class Period, and the facts, matters, allegations, transactions, events, disclosures, statements, acts or omissions which were alleged or that could have been alleged in the Complaint. Notwithstanding anything in this paragraph, Released Claims shall not include any claims against Ernst & Young, LLP, including, but not limited to, claims in *Louisiana School Employees' Retirement System v. Ernst & Young LLP*, Case No. 06-02214-SHM, pending in the United States District Court for the Western District of Tennessee, Western Division.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you don't want a payment from this settlement, but you want to keep the right to sue or continue to sue the Defendants on your own about the same issues in this case, then you must take steps to get out of the Class. This is called excluding yourself or is sometimes referred to as opting out of the Class.

13. How do I get out of the Class?

To exclude yourself from the Class, you must send a letter by mail stating that you want to be excluded from *In re Accredo Health, Inc. Securities Litigation*, Civil Action No. 03-2216-BBD. You must include your name, address, telephone number, your signature, and the number of shares of Accredo common stock you purchased or acquired between June 16, 2002 and April 7, 2003, and the dates and prices of such purchases or acquisitions. However, if you previously excluded yourself from the Class pursuant to the Notice of Pendency of Class Action dated July 18, 2008, and wish to remain excluded, you do not need to submit another request for exclusion. If you previously submitted a request for exclusion and wish to participate in the settlement you must submit a signed letter to the address below stating your request to retract the prior request for exclusion. You must mail your exclusion request or your request to retract your previous request to be excluded postmarked no later than January 28, 2009, to:

Accredo Securities Litigation
EXCLUSIONS
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 8040
San Rafael, CA 94912-8040

You cannot exclude yourself on the phone or by e-mail. If you ask to be excluded, you are not eligible to get any settlement payment, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit.

14. If I don't exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendants for the claims that this settlement resolves. Remember, the exclusion deadline is January 28, 2009.

15. If I exclude myself, can I get money from this settlement?

No. If you exclude yourself, do not send in a claim form to ask for any money. Once you exclude yourself, you will receive no cash payment even if you also submit a claim form, unless you withdraw your notice of exclusion before the deadline.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court appointed the law firms of Bernstein Litowitz Berger & Grossmann LLP and Coughlin Stoia Geller Rudman & Robbins LLP to represent you and other Class Members. These lawyers are called Lead Counsel. The Court also appointed Glassman, Edwards, Wade & Wyatt, P.C. as Liaison Counsel. You will not be charged for these lawyers' work. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

At the fairness hearing, Lead Counsel will request the Court to award attorneys' fees of 28% of the Settlement Fund and for expenses up to \$2,800,000.00, which were incurred in connection with the Litigation. In addition, Lead Plaintiffs Debra Swiman and Louisiana School Employees' Retirement System will request up to \$25,000.00, and \$30,000.00, respectively, for their time and expenses in representing the Class. If awarded, the cost would be \$0.48 per share. This compensation will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. To date, Lead Counsel have not received any payment for their services in conducting this Litigation on behalf of the Lead Plaintiffs and the Class, nor have counsel been paid for their expenses. The fee requested will compensate Lead Counsel and Liaison Counsel for their work in achieving the Settlement Fund and is well within the range of fees awarded to class counsel under similar circumstances in other cases of this type. The Court may award less than this amount.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you don't agree with the settlement or some part of it.

18. How do I tell the Court that I don't like the settlement?

If you are a Class Member (and you have not excluded yourself), you can object to the settlement, the request for attorneys' fees and expenses, Lead Plaintiffs' expenses or the Plan of Allocation if you do not like any part of it. You can give reasons why you think the Court should not approve the settlement, the request for attorneys' fees and expenses, Lead Plaintiffs' expenses or the Plan of Allocation. The Court will consider your views. To object, you must send a signed letter saying that you object to the proposed settlement in *In re Accredo Health, Inc. Securities Litigation*, Civil Action No. 03-2216-BBD. Be sure to include your name, address, telephone number, your signature, the number of shares of Accredo common stock purchased or acquired between June 16, 2002 and April 7, 2003, and the reasons you object to the settlement, the requested attorneys' fees and expenses, Lead Plaintiffs' expenses or the Plan of Allocation. Any objection to the settlement, the requested attorneys' fees and expenses, Lead Plaintiffs' expenses or the Plan of Allocation must be mailed or delivered such that it is received by each of the following no later than January 28, 2009:

19. What is the difference between objecting and excluding myself from the settlement?

Objecting is telling the Court that you do not like something about the proposed settlement. You can object **only** if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer applies to you.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the proposed settlement. You may attend, but you don't have to.

20. When and where will the Court decide whether to approve the settlement?

The Court will hold a hearing at 10:30 a.m., on February 19, 2009, at the United States District Court for the Western District of Tennessee, Western Division, Federal Building, 167 N. Main Street, Memphis, TN 38103. At this hearing, the Court will consider whether the settlement is fair, reasonable and adequate. If there are objections, the Court will consider them. The Court will listen to people who have asked to speak at the hearing. The Court will also decide whether to approve the payment of fees and expenses to Lead Counsel including the expenses of Lead Plaintiffs and the Plan of Allocation. We do not know how long the hearing will take or whether the Court will make its decision about the settlement on the day of the hearing or sometime later.

21. Do I have to come to the hearing?

No. Lead Counsel will answer questions Judge Donald may have. But, you are welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the hearing. To do so, you must send a letter saying that it is your intention to appear in *In re Accredo Health, Inc. Securities Litigation*, Civil Action No. 03-2216-BBD. Be sure to include your name, address, telephone number, your signature, and the number of shares of Accredo common stock purchased or acquired between June 16, 2002 and April 7, 2003. Your notice of intention to appear must be received no later than January 28, 2009, by the Clerk of the Court, Lead Counsel, and Defendants' counsel, at the addresses listed in Question 18. You cannot speak at the hearing if you exclude yourself from the Class.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you'll get no money from this settlement. But, unless you exclude yourself, you won't be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants about the same issues in this case.
