

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

IN RE RH, INC. SECURITIES
LITIGATION,

Case No. 4:17-00554-YGR
ECF CASE

**DECLARATION OF ERIC J. MILLER IN SUPPORT OF
LEAD PLAINTIFFS' UNOPPOSED MOTION FOR APPROVAL
OF DISTRIBUTION TO ELIGIBLE CLAIMANTS**

I, ERIC J. MILLER, hereby declare under penalty of perjury as follows:

1. I am a Senior Vice President of A.B. Data, Ltd.'s Class Action Administration Company ("A.B. Data"), which has its corporate office in Milwaukee, Wisconsin. I am over 21 years of age and am not a party to this action. I have personal knowledge of the facts set forth in this declaration and, if called as a witness, could and would testify competently thereto.

2. A.B. Data was retained by Lead Counsel to serve as the Claims Administrator in connection with the Settlement of the above-captioned action (the "Action").¹ Pursuant to the Court's June 21, 2019 Order Preliminarily Approving Settlement and Providing for Notice (ECF No. 142) ("Preliminary Approval Order"), A.B. Data was authorized to act as the Claims Administrator in connection with the Settlement of the above-captioned action. As Claims Administrator, A.B. Data has, among other things: (i) mailed the Notice of (I) Pendency of Class Action and Proposed Settlement; (II) Settlement Hearing; and (III) Motion for Attorneys' Fees and Litigation Expenses (the "Notice") and the Proof of Claim and Release Form (the "Claim Form" and, collectively with the Notice, the "Notice Packet") to potential Class Members, brokers, and other nominees; (ii) created and continues to maintain a toll-free helpline for inquiries during the course of the administration; (iii) created and continues to maintain a Settlement website and

¹ Unless otherwise defined herein, all capitalized terms have the meanings set forth in the Stipulation and Agreement of Settlement dated May 6, 2019 (ECF No. 135-1) (the "Stipulation").

1 posted case-specific documents on it; (iv) caused the Summary Notice to be published; (v)
 2 provided, upon request, additional copies of the Notice Packet to potential Class Members,
 3 brokers, and other nominees; and (vi) received and processed Claims.

4 3. On October 25, 2019, the Court entered the Order and Judgment Approving Class
 5 Action Settlement, Plan of Allocation, Attorneys' Fees and Expenses (ECF No. 151). A.B. Data
 6 has completed processing all Claims received through February 4, 2020, in accordance with the
 7 terms of the Stipulation and the Court-approved Plan of Allocation set forth in the Notice, and
 8 hereby submits its administrative determinations accepting and rejecting the Claims in preparation
 9 for a distribution of the Net Settlement Fund to Authorized Claimants. A.B. Data also presents this
 10 declaration in support of Lead Plaintiffs' Unopposed Motion for Approval of Distribution to
 11 Eligible Claimants.

12 **DISSEMINATION OF NOTICE**

13 4. As more fully described in the Declaration of Eric J. Miller Regarding (A) Mailing
 14 of Notice and Claim Form; (B) Publication of the Summary Notice; and (C) Report on Requests
 15 for Exclusion Received to Date (ECF No. 145-3) (the "Initial Mailing Declaration") and the
 16 Supplemental Declaration of Eric J. Miller Regarding (A) Mailing of Notice and Claim Form; and
 17 (B) Report on Claim Forms and Requests for Exclusion Received (ECF No. 147) (the
 18 "Supplemental Mailing Declaration"), as of October 14, 2019, A.B. Data had mailed 76,686
 19 Notice Packets to potential Class Members and their nominees. Supplemental Mailing Decl. ¶ 2.

20 5. A.B. Data established and continues to maintain a website
 21 (www.RHSecuritiesLitigation.com) and a toll-free telephone helpline (1-866-217-4456) to assist
 22 potential Class Members. The Settlement website (which provides access to important documents
 23 relevant to the Settlement) and the telephone helpline enable Class Members to obtain
 24 information about the Settlement.

25 6. In accordance with paragraph 4(d) of the Preliminary Approval Order, on July 23,
 26 2019, A.B. Data caused the Summary Notice to be published in *The Wall Street Journal* and
 27 released via *PR Newswire*. Initial Mailing Decl. ¶ 11.

PROCEDURES FOLLOWED IN PROCESSING CLAIMS

7. Under the terms of the Preliminary Approval Order and as set forth in the Notice, each Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit to A.B. Data a properly executed Claim Form postmarked no later than October 8, 2019, together with adequate supporting documentation for the transactions and holdings reported in the Claim Form. Through February 4, 2020, A.B. Data has received and fully processed 13,870 Claims (the “Presented Claims”).

8. In preparation for receiving and processing Claims, A.B. Data: (i) conferred with Lead Counsel to define the project guidelines for processing Claims; (ii) created a unique database to store Claim details, images of Claims, and supporting documentation; (iii) trained staff in the specifics of the project so that Claims would be properly processed; (iv) formulated a system so that telephone and email inquiries would be properly responded to; (v) developed various computer programs and screens for entry of Class Members’ identifying information and their transactional information; and (vi) developed a proprietary “calculation module” that would calculate Recognized Claims pursuant to the Court-approved Plan of Allocation of the Net Settlement Fund stated in the Notice.

9. Class Members seeking to share in the Net Settlement Fund were directed in the Notice to submit their Claims to a post office box address specifically designated for the Settlement. Notice Packets returned by the United States Postal Service as undeliverable were reviewed for updated addresses and, where available, updated addresses were entered into the database and Notice Packets were mailed to the updated addresses. Any correspondence received at the post office box was reviewed and, when necessary, appropriate responses were provided to the senders.

PROCESSING CLAIMS

A. Paper and Online Claims

10. Of the 13,870 Presented Claims, 1,898 are paper Claims. Once received, the paper Claims were opened and prepared for scanning. This process included unfolding documents,

1 removing staples, copying nonconforming-sized documents, and sorting documents. This manual
2 task of preparing the paper Claims is very laborious and time-intensive. Once prepared, paper
3 Claims were scanned into a database together with all submitted documentation. Subsequently,
4 each Claim was assigned a unique Claim number. Once scanned, the information from each Claim
5 Form (including the Claimant's name, address, account number/information from the supporting
6 documentation, and the Claimant's purchase/acquisition transactions, sale transactions, and
7 holdings listed on the Claim Form) was entered into a database developed by A.B. Data to process
8 Claims submitted for the Settlement. Once entered into the database, each Claim was reviewed to
9 verify that all required information had been provided. The documentation provided by the
10 Claimant in support of the Claim was reviewed for authenticity and compared to the information
11 provided in the Claim to verify the Claimant's identity and the purchase/acquisition transactions,
12 sale transactions, and holdings listed on the Claim Form.

13 11. To process the transactions detailed in the Claims, A.B. Data utilized internal codes
14 ("flags") to identify and classify deficiency or ineligibility conditions existing within those Claims.
15 Appropriate flags were assigned to the Claims as they were processed. For example, where a
16 Claim was submitted by a Claimant who did not have any eligible transactions in RH common
17 stock during the Class Period (*e.g.*, the Claimant purchased RH common stock only before or after
18 the Class Period), that Claim would receive a flag that denoted ineligibility. Similar defect flags
19 were used to denote other ineligible conditions, such as duplicate Claims. These flags would
20 indicate to A.B. Data that the Claimant was not eligible to receive any payment from the Net
21 Settlement Fund with respect to that Claim unless the deficiency was cured in its entirety.

22 12. Because a Claim may be deficient only in part, but otherwise acceptable, A.B. Data
23 utilized flags that were applied only to specific transactions within a Claim. For example, if a
24 Claimant submitted a Claim with supporting documentation for all but one purchase transaction,
25 that one transaction would receive a defect flag. The flag indicated that although the transaction
26 was deficient, the Claim was otherwise eligible for payment if other transactions in the Claim
27
28

1 calculated to a Recognized Claim according to the Court-approved Plan of Allocation. Thus, even
2 if the deficiency was never cured, the Claim could still be partially accepted.

3 **B. Electronic Claims**

4 13. Of the 13,870 Presented Claims, 11,972 were filed electronically (“Electronic
5 Claims”). The filers of Electronic Claims (“Electronic Claim Filers” or “E-Claim Filers”) are
6 typically institutional investors who may have hundreds or thousands of transactions during the
7 Class Period or entities such as custodian banks and third-party claim filers who have been
8 authorized to submit claims on behalf of numerous beneficial owners of the stock. Rather than
9 provide reams of paper requiring data entry, the E-Claim Filers submitting Electronic Claims
10 either mail a computer disc or electronically submit a file to A.B. Data so that A.B. Data can
11 upload all transactions to its proprietary database developed for the Settlement.

12 14. A.B. Data maintains an Electronic Claim Filing Team (“ECF Team”) to coordinate
13 and supervise the receipt and handling of all Electronic Claims. In this case, the ECF Team
14 reviewed and analyzed each electronic file to ensure that it was formatted in accordance with A.B.
15 Data’s required format and to identify any potential data issues or inconsistencies within the file. If
16 any issues or inconsistencies arose, A.B. Data notified the filer. If the electronic file was deemed to
17 be in an acceptable format, it was then loaded to A.B. Data’s database.

18 15. Once each electronic file was loaded, the Electronic Claims were flagged to denote
19 any deficient or ineligible conditions that existed within them. These flags are similar to those
20 applied to paper Claims. In lieu of manually applying flags, the ECF Team performed
21 programmatic reviews on Electronic Claims to identify deficient and ineligible conditions such as,
22 but not limited to, price out-of-range issues, out-of-balance conditions, and transactions outside the
23 Class Period. The output was thoroughly verified and confirmed as accurate.

24 16. The review process also included flagging any Electronic Claims that were not
25 accompanied by a signed Claim Form, which serves as a “Master Proof of Claim Form” for all
26 Claims referenced on the electronic file submitted. This process was reviewed by A.B. Data’s ECF
27 Team and, when appropriate, A.B. Data contacted the E-Claim Filers whose submissions were
28

1 missing information. This ensured that only fully completed Claims, submitted by properly
2 authorized representatives of the Claimants, were considered eligible for payment from the Net
3 Settlement Fund.

4 17. Finally, at the end of the process, A.B. Data performed various targeted reviews of
5 Electronic Claims. Specifically, A.B. Data used criteria such as the calculated Recognized Claims
6 and other identified criteria to flag and reach out to a number of E-Claim Filers and request that
7 various sample purchases, sales, and holdings selected by A.B. Data be documented by providing
8 confirmation slips or other transaction-specific supporting documentation. These targeted reviews
9 help to ensure that electronic data supplied by Claimants does not contain inaccurate information.

10 **EXCLUDED PERSONS**

11 18. A.B. Data also reviewed all Claims to ensure that they were not submitted by, or on
12 behalf of, “Excluded Persons,” to the extent that the identities of such persons or entities were
13 known to A.B. Data through the list of Defendants and other excluded persons and entities set
14 forth in the Stipulation and the Notice and from the Claimants’ certifications on the Claim Form.
15 A.B. Data also reviewed all Claims against the list of persons who were excluded from the Class
16 pursuant to request.

17 **THE DEFICIENCY PROCESS**

18 **A. Paper Claims and Online Claims**

19 19. Many paper Claims submitted were incomplete or had one or more defects or
20 conditions of ineligibility, such as the Claim not being signed, not being properly documented, or
21 indicating no eligible transactions in RH common stock during the Class Period. The “Deficiency
22 Process,” which primarily involved mailing letters to Claimants and responding to
23 communications from Claimants by email and/or telephone, was intended to assist Claimants in
24 properly completing their otherwise deficient submissions so that they could be eligible to
25 participate in the Settlement.

26 20. If paper Claims were determined to be defective, letters were sent to Claimants
27 describing the defect(s) in these Claims and what, if anything, was necessary to cure the defect(s)
28

1 in these Claims (the “Deficiency Letter”). The Deficiency Letter advised Claimants that
 2 submission of appropriate information and/or documentary evidence to complete the Claim had to
 3 be sent within twenty (20) days from the date of the letter, or the Claim would be recommended
 4 for rejection to the extent that the deficiency or condition of ineligibility was not cured. The
 5 Deficiency Letters also advised Claimants that to contest these administrative determinations, they
 6 were required to submit written statements to A.B. Data requesting Court review of their Claims
 7 and setting forth the basis for such requests. A.B. Data sent a total of 889 Deficiency Letters to
 8 Claimants who filed paper or online Claims that A.B. Data determined to be defective. Attached
 9 hereto as Exhibit A is an example of the Deficiency Letter.

10 21. Claimants’ responses to Deficiency Letters were scanned into A.B. Data’s database
 11 and associated with the corresponding Claims. The responses were then carefully reviewed and
 12 evaluated by A.B. Data’s team of processors. If a Claimant’s response corrected the defect(s), A.B.
 13 Data updated the database manually to reflect the changes in the status of the Claim.

14 **B. Electronic Claims**

15 22. In addition, for Electronic Claims, A.B. Data used the following process to contact
 16 the banks, brokers, nominees, and other E-Claim Filers who submitted their data electronically to
 17 confirm receipt of their submissions and to notify the filers of any deficiencies or Electronic
 18 Claims that were ineligible. These E-Claim Filers were sent an email (“Status Email”) with an
 19 attached Excel spreadsheet, which contained detailed information associated with the Claims and
 20 indicated which of those Claims within the filing were deficient and/or rejected (“Status
 21 Spreadsheet”).

22 23. The Status Email sent to the email address of record provided with the Claim Form:

- 23 (a) Notified the filer that any Claims with deficiencies not corrected within
- 24 twenty (20) days from the date of the Status Email may be rejected;
- 25 (b) Advised the filer of the right to contest the rejection of the Claim(s) and
- 26 request this Court’s review of A.B. Data’s administrative determination
- 27 within twenty (20) days from the date of the Status Email; and
- 28

(c) Provided instructions for how to submit corrections.

24. The Status Spreadsheet attached to the Status Email contained the following information:

(a) A listing of all Claims associated with the filing and their unique identification numbers;

(b) Identification of individual Claims that were found to be deficient or ineligible;

(c) The current status of each Claim in A.B. Data's database; and

(d) The current Recognized Claim calculation associated with each Claim.

25. A.B. Data has mailed a Status Email and Status Spreadsheet to 130 E-Claim Filers. Samples of the Status Email and the Status Spreadsheet are attached hereto as Exhibit B and Exhibit C, respectively.

26. The E-Claim Filers' responses were reviewed by A.B. Data's Electronic Claim Filing Team, scanned and/or loaded into A.B. Data's database, and associated with the corresponding Electronic Claims. If a response corrected the defect(s) or affected an Electronic Claim's status, A.B. Data manually and/or programmatically updated the database to reflect such change in status of the Electronic Claim.

NO DISPUTED CLAIMS

27. As noted above, Claimants were advised that they had the right to contest A.B. Data's administrative determination of deficiencies or ineligibility within twenty (20) days from the date of notification and that they could request that the dispute be submitted to the Court for review. More specifically, Claimants were advised in the Deficiency Letter or Status Email that, if they disputed A.B. Data's determination, they had to provide a statement of reasons indicating the grounds for contesting the determination, along with supporting documentation, and if the dispute concerning the Claim could not otherwise be resolved, Lead Counsel would thereafter present the request for review to the Court for a final determination. No Claimants requested Court review of the rejection of their Claims.

LATE BUT OTHERWISE ELIGIBLE CLAIMS

28. Of the Presented Claims, 217 were received or postmarked after the October 8, 2019, Claim submission deadline established by the Court. A.B. Data processed all late Claims received through February 4, 2020, and 49 have been found to be otherwise eligible in whole or in part (the “Late But Otherwise Eligible Claims”). A.B. Data has not rejected any Claim received through February 4, 2020, solely based on its late submission, and A.B. Data believes no delay has resulted from the provisional acceptance of these Late But Otherwise Eligible Claims because the processing of timely received Claims was still ongoing. Thus, to the extent these Claims are eligible but for the fact that they were late, they are recommended for payment.

29. However, there must be a final cut-off date after which no more Claims will be accepted so that there may be a proportional allocation of the Net Settlement Fund and the distribution may be accomplished. Acceptance of additional Claims or responses to notices of deficiency received during the finalization of the administration and the preparation of this application would necessarily require a delay in the distribution. Accordingly, A.B. Data also respectfully requests that this Court order that no Claim received or rejected Claim adjusted after February 4, 2020, be eligible for payment for any reason whatsoever subject only to the provision of paragraph 37(f) of the proposed distribution plan discussed below. If the Court adopts the proposed distribution plan, then, after Lead Counsel has determined that further distributions are not cost-effective and before any contribution of the residual funds to charity, if sufficient funds remain to warrant the processing of Claims received after February 4, 2020, these Claims will be processed and, if any would have been eligible if timely received, these Claimants may be paid the distribution amounts on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks to the extent permitted by the amount of remaining funds. See ¶ 37(f) below. With respect to previously-filed Claims that are cured or adjusted after February 4, 2020, such Claims will be reevaluated upon receipt of the adjustment and, to the extent that they are found eligible for a distribution or additional distribution, they will be treated in the same manner as Claims received after February 4, 2020. However, should an

adjustment be received that results in a lower Recognized Claim amount, that adjustment will be made and the Recognized Claim amount will be reduced accordingly prior to a distribution to that Claimant.

QUALITY ASSURANCE

30. An integral part of the claims administration process is the Quality Assurance review. Throughout the administration process, A.B. Data's Quality Assurance Department worked to verify that Claims were processed properly by ensuring that information was entered correctly into the database, deficiency and/or rejection flags were assigned accurately, and deficiency and/or rejection notification was sent appropriately. After all Claims were processed, deficiency and/or rejection notification was sent, and Claimants' responses to the deficiency and/or rejection notification were reviewed and processed, the supervisors and managers in A.B. Data's Quality Assurance Department performed additional Quality Assurance reviews. These final Quality Assurance reviews further ensured the correctness and completeness of all Claims processed prior to preparing this declaration and all A.B. Data's final documents in support of distribution of the Net Settlement Fund. As part of the Quality Assurance reviews, A.B. Data:

- (a) Verified that all Claim Forms had signatures of authorized individuals;
- (b) Verified that true duplicate Claims were identified, verified, and rejected;
- (c) Verified that Tax Identification Numbers were provided;
- (d) Verified that persons and entities excluded from the Class did not file Claims or their Claims were rejected upon review;
- (e) Performed a final Quality Assurance audit of Claims and all supporting documentation to ensure completeness of Claims;
- (f) Determined that all Claimants requiring deficiency and/or rejection notification were sent such notification;
- (g) Performed an audit of deficient Claims;
- (h) Performed additional review of Claims with high Recognized Claim amounts;

(i) Audited Claims that were designated invalid;

(j) Audited Claims with a Recognized Claim amount equal to zero;

(k) Performed other auditing based on Claims completion requirements and the approved calculation specifications based on the Court-approved Plan of Allocation; and

(l) Re-tested the accuracy of the Recognized Claim amount calculation program.

31. As part of its due diligence in processing the Claims, A.B. Data conducted a Questionable Claim Filer search of all Claims filed in the Settlement as follows. A.B. Data maintains a database of known questionable filers. This Questionable Claim Filer Database contains names, addresses, and aliases of individuals or entities that have been investigated by government agencies for questionable claim filing, as well as names and contact information compiled from previous settlements administered by A.B. Data in which fraudulent claims were received. A.B. Data updates this Questionable Claim Filer Database on a regular basis. The Settlement database was searched for all individuals identified in the Questionable Claim Filer Database. A.B. Data performs searches based on names, aliases, addresses, and city/zip codes. In addition, A.B. Data's claim processors are trained to identify any potentially inauthentic documentation when processing claims, including claims submitted by Claimants not previously captured in the Questionable Claim Filer Database. Processors are instructed to flag any Questionable Claims and escalate them to management for review. No Claim(s) were identified as questionable for this Settlement.

RECOMMENDATIONS FOR APPROVAL AND REJECTION

32. As noted above, the number of Claims on this motion is 13,870.

Timely Submitted and Valid Claims

33. A total of 13,653 Claims were received or postmarked on or before the Court-approved Claim submission deadline of October 8, 2019, of which 6,796 were determined by A.B. Data to be eligible and are recommended for approval ("Timely Eligible Claims").

Late But Otherwise Eligible Claims

34. A total of 217 Claims were received or postmarked after the Court-approved Claim submission deadline of October 8, 2019, but received through February 4, 2020. Of those, 49 were determined by A.B. Data to be otherwise eligible and are recommended for approval (“Late But Otherwise Eligible Claims”).

Rejected Claims

35. After the responses to notices of deficiencies were processed, a total of 7,025 Claims remain recommended for rejection by the Court (“Rejected Claims”) for the following reasons:

- (a) 175 Claims had no purchase(s) of RH common stock during the Class Period;
- (b) 6,030 Claims did not result in a Recognized Claim;
- (c) 3 Claims were withdrawn by filer;
- (d) 772 Claims were duplicates or replaced; and
- (e) 45 Claims had uncured conditions of ineligibility.

Lists of All Presented Claims

36. Attached hereto as Exhibits D through F are listings of all the Presented Claims:

- (a) Exhibit D lists the Timely Eligible Claims;
- (b) Exhibit E lists the Late But Otherwise Eligible Claims; and
- (c) Exhibit F lists the Rejected Claims and the reasons for rejection.

DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND

37. Should the Court concur with A.B. Data’s determinations concerning the provisionally accepted and rejected Claims, including the Late But Otherwise Eligible Claims, A.B. Data recommends the following distribution plan (the “Distribution Plan”):

- (a) A.B. Data will conduct an initial distribution (the “Initial Distribution”) of the Net Settlement Fund, after deducting all payments approved by the Court, and after payment of any estimated taxes, the costs of preparing appropriate tax returns, and any

1 escrow fees, while maintaining a 5% reserve to address any tax liability and claims
2 administration-related contingencies that may arise, as follows:

3 (1) A.B. Data will calculate award amounts for all Authorized Claimants
4 as if the entire Net Settlement Fund were to be distributed now. In accordance with
5 the Court-approved Plan of Allocation, A.B. Data will calculate each Authorized
6 Claimant's *pro rata* share of the Net Settlement Fund based on the amount of the
7 Authorized Claimant's Recognized Claim in comparison to the total Recognized
8 Claims of all Authorized Claimants.

9 (2) A.B. Data will, pursuant to the terms of the Plan of Allocation,
10 eliminate from the Initial Distribution any Authorized Claimant whose *pro rata*
11 share calculates to less than \$10.00. These Claimants will not receive any payment
12 from the Net Settlement Fund and will be so notified by A.B. Data.

13 (3) After eliminating Claimants who would have received less than
14 \$10.00, A.B. Data will recalculate the *pro rata* share of the Net Settlement Fund for
15 Authorized Claimants who would have received \$10.00 or more pursuant to the
16 calculations described in subparagraph (a)(1) above. This *pro rata* share is the
17 Authorized Claimant's "Distribution Amount."

18 (4) Authorized Claimants whose Distribution Amount calculates to less
19 than \$100.00 pursuant to subparagraph (a)(3) above will be paid their full
20 Distribution Amount in the Initial Distribution ("Claims Paid in Full"). These
21 Authorized Claimants will get no additional funds in subsequent distributions.

22 (5) 95% of the remaining balance of the Net Settlement Fund will be
23 distributed to Authorized Claimants whose Distribution Amount calculates to
24 \$100.00 or more pursuant to subparagraph (a)(3) above, on a *pro rata* basis based
25 on their Distribution Amounts. The remaining 5% of the Net Settlement Fund will
26 be held in reserve (the "Reserve") to address any tax liability and claims
27 administration-related contingencies that may arise. To the extent the Reserve is not
28

1 depleted, the remainder will be distributed in the “Second Distribution” described in
2 subparagraph (d) below.

3 (b) In order to encourage Authorized Claimants to deposit their payments
4 promptly, all distribution checks in the Initial Distribution will bear a notation: “CASH
5 PROMPTLY. VOID AND SUBJECT TO REDISTRIBUTION IF NOT CASHED BY
6 [DATE 90 DAYS AFTER ISSUE DATE].”² Subsequent distributions shall have a 30-day
7 stale date.

8 (c) Authorized Claimants who do not cash their Initial Distribution checks
9 within the time allotted or on the conditions set forth in footnote 2 will forfeit all recovery
10 from the Settlement. The funds allocated to all such stale-dated checks will be available to
11 be redistributed to other Authorized Claimants in the second distribution. Similarly,
12 Authorized Claimants who do not cash their second or subsequent distribution checks
13 (should such distributions occur) within the time allotted or on the conditions set forth in
14 footnote 2 will irrevocably forfeit any further recovery from the Net Settlement Fund.

15 (d) Consistent with the Court-approved Plan of Allocation, after A.B. Data has
16 made reasonable and diligent efforts to have Authorized Claimants cash their Initial
17

18 ² For Authorized Claimants whose checks are returned as undeliverable, A.B. Data will endeavor
19 to locate new addresses by running the undeliverable addresses through address-lookup services.
20 Where a new address is located, A.B. Data will update the database accordingly and reissue a
21 distribution check to the Authorized Claimant at the new address. In the event a distribution check
22 is lost or damaged or otherwise requires reissuance, A.B. Data will issue replacements.
23 Distribution reissues will be undertaken only upon written instructions from the Authorized
24 Claimant, provided that the Authorized Claimant returns the previous check where appropriate.
25 For all checks, A.B. Data will void the initial payment prior to reissuing a payment. In order not to
26 delay further distributions to Authorized Claimants who have timely cashed their checks, A.B.
27 Data’s outreach program, described in the preceding sentences, shall end 30 days after the initial
28 void date. Authorized Claimants will be informed that, if they do not cash their Initial Distribution
checks within 90 days of the mail date, or they do not cash check reissues within 30 days of the
mailing of such reissued check, their check will lapse, their entitlement to recovery will be
irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue
requests for lost or damaged checks will be granted after the void date on the checks as long as the
request for the reissue is received no later than 45 days prior to the next planned distribution.
Requests for reissued checks in connection with any subsequent distributions (should such
distributions occur) will be handled in the same manner.

1 Distribution checks, which efforts shall consist of the follow-up efforts described in
2 footnote 2, but not earlier than seven (7) months after the Initial Distribution, A.B. Data
3 will, after consulting with Lead Counsel, conduct a second distribution of the Net
4 Settlement Fund (the “Second Distribution”) in a reasonable period of time. Any amounts
5 remaining in the Net Settlement Fund after the Initial Distribution (including the funds
6 allocated for all void stale-dated checks), after deducting the payment of any estimated
7 taxes, the costs of preparing appropriate tax returns, any escrow fees, and appropriate
8 reserves, will be distributed to all Authorized Claimants in the Initial Distribution who
9 cashed their first distribution check and who would receive at least \$10.00 from such
10 distribution based on their *pro rata* share of the remaining funds. Additional distributions,
11 after deduction of costs and expenses as described above and subject to the same
12 conditions, may occur after a reasonable period of time until Lead Counsel, in consultation
13 with A.B. Data, determines that further distribution is not cost-effective.

14 (e) At such time as Lead Counsel, in consultation with A.B. Data, determines
15 that further distribution of the funds remaining in the Net Settlement Fund is not cost-
16 effective, if sufficient funds remain to warrant the processing of Claims received after
17 February 4, 2020, those Claims will be processed, and any otherwise valid Claims received
18 after February 4, 2020, as well as any earlier-received Claims for which an adjustment was
19 received after February 4, 2020, which resulted in an increased Recognized Claim amount,
20 will be paid in accordance with subparagraph (f) below. If any funds remain in the Net
21 Settlement Fund after payment of these late or late-adjusted Claims, the remaining balance
22 of the Net Settlement Fund, after payment of any unpaid fees or expenses incurred in
23 administering the Net Settlement Fund and after the payment of any estimated taxes, the
24 costs of preparing appropriate tax returns, and any escrow fees, will be contributed to the
25 Investor Protection Trust.³

26
27
28 ³ See Notice ¶ 83.

(f) No new Claims may be accepted after February 4, 2020, and no further adjustments to previously received Claims that would result in an increased Recognized Claim amount may be made, subject to the following exception. If Claims are received or modified that would have been eligible for payment or additional payment under the Plan of Allocation if timely received, then, at the time that Lead Counsel, in consultation with A.B. Data, determines that a redistribution is not cost-effective as provided in subparagraph (e) above, and after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after deducting the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, such Claimants, at the discretion of Lead Counsel, may be paid the distribution amounts or additional distribution amounts on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks to the extent possible.

(g) Unless otherwise ordered by the Court, one year after the Second Distribution A.B. Data is permitted to no longer retain paper copies of the Claims and all supporting documentation, and one year after all funds have been distributed is permitted to no longer retain electronic copies of the same.

CONCLUSION

38. A.B. Data respectfully requests that the Court enter an Order approving its administrative determinations accepting and rejecting the Claims submitted herein and approving the proposed Distribution Plan.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge.

Executed on February 4, 2020.

Eric J. Miller

NOTICE OF REJECTION OF CLAIM

DATE: November 12, 2019
RE: *IN RE RH, INC. SECURITIES LITIGATION*
CLAIM NUMBER: 64307001
RESPONSE DEADLINE: December 03, 2019

Dear Claimant:

We have processed the Proof of Claim and Release Form ("Claim") that you submitted in connection with the settlement achieved in the above-noted litigation. Your Claim, based on our review, is ineligible for a recovery for the reason(s) listed below. Please note that some reasons for ineligibility are curable. To resolve the identified curable condition(s) of ineligibility, please follow the instructions below.

In order for this Claim to be eligible, the identified curable conditions of ineligibility must be resolved and the Claim must then calculate to a Recognized Claim under the Court-approved Plan of Allocation. Please include a copy of this notice with your response. **If you fail to respond by the response deadline printed above, or if your response fails to cure the condition(s) identified below, your Claim will be rejected in its entirety. Please note that this is the only notice you will receive with respect to this Claim.**

1. No "Recognized Claim" Pursuant to Court-Approved Plan of Allocation

In accordance with the Court-approved Plan of Allocation set forth in the Notice (which was previously provided to you and is available for review on the Settlement website), we have determined that this Claim calculates to a "Recognized Claim" of zero and therefore is not eligible to receive any distribution from the Net Settlement Fund.

This is NOT a curable deficiency unless you had additional transactions in RH common stock during the period from March 26, 2015, through June 8, 2016, inclusive, that are not reflected in your Claim. Please note, your Claim may also have other ineligible conditions listed in this notice. If the ineligible conditions listed in this notice are not cured, the Claim will not be recommended for approval, and, therefore, it will not be eligible to receive any recovery. If other ineligible conditions are resolved but the Claim still does not calculate to a Recognized Claim under the Plan of Allocation, the Claim will remain ineligible. Please note, as set forth in the Claim Form, purchases or acquisitions of RH common stock made during the 90-day look-back period from

June 9, 2016, through and including September 6, 2016, are not eligible to be included in the calculation of the Recognized Claim.

Claims that are not cured by the response deadline above will be rejected. If you believe your Claim has been rejected in error, you may contact us for assistance and/or request Court review of our determination. To request Court review of your Claim, you must send us a signed written statement that (a) states your reasons for contesting the rejection of this Claim, along with any and all documentation supporting your argument(s); (b) specifically states that you “request that the Court review the rejection of this Claim”; and (c) includes a copy of this notice, postmarked no later than the response deadline set forth above. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). **Please note: Court review should only be sought if you disagree with our determination regarding this Claim.**

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 866-217-4456 or email us at info@RHSecuritiesLitigation.com. Please reference the Claim number listed above in any communication. If you would like to view or download the Settlement Notice which contains the Plan of Allocation, you may do so by visiting www.RHSecuritiesLitigation.com.

Very truly yours,

A.B. DATA, LTD.

Subject: RE RH SECURITIES LITIGATION - Claim No.

Dear Electronic Filer:

Please see the attached spreadsheet containing the status of all accounts received with your electronic filing in regards to the RH Securities Litigation as of November 12, 2019.

The information contained in the attached spreadsheet serves as notification of all deficiencies and rejections for all accounts. The first tab of the spreadsheet contains the Deficiency Key, which provides detailed descriptions and resolutions for further assistance. The current status of all claims can be located on the Claim Summary tab in column H, titled Claim Status:

- A. Full: If you fail to respond within twenty (20) days after the date of this notice, or if your response fails to resolve the curable condition(s) identified on the attached file, your Claim will be rejected in its entirety.
- B. Partial: If you fail to respond within twenty (20) days after the date of this notice, or if your response fails to cure the condition(s) identified on the attached file, your Claim will be rejected to the extent that those condition(s) remain uncured.
- C. Accepted: Claim is currently in good standing.

Revisions must be received in the same format as the original file in accordance with the Electronic Claims Filing Guidelines for the case.

If you believe your Claim has been rejected in error, you may request Court review of the determination. To do so, you must - within twenty (20) days after the date of this notice - send us a signed written statement that (a) states your reasons for contesting the rejection of your Claim, along with any supporting documentation, and (b) specifically states that you **request that the Court review the rejection of this Claim**. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim.

All responses should be sent to the address listed below, or emailed to efiling@abdata.com. Please reference your claim number(s) in all correspondence. You may contact the contact the RH Securities Litigation Helpline at 1-866-217-4456 with any inquiries.
