

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK**

IN RE VIRTUS INVESTMENT PARTNERS, INC.
SECURITIES LITIGATION

Case No. 15-cv-1249 (WHP)

**NOTICE OF (I) PROPOSED SETTLEMENT AND PLAN OF ALLOCATION;
(II) SETTLEMENT HEARING; AND (III) MOTION FOR AN AWARD
OF ATTORNEYS' FEES AND PAYMENT OF LITIGATION EXPENSES**

To: All persons and entities that, during the period between January 25, 2013 and May 11, 2015, inclusive (the "Class Period"), purchased or otherwise acquired shares of the publicly traded common stock of Virtus Investment Partners, Inc. ("Virtus") and were damaged thereby (the "Class").¹

This notice contains important deadlines that may affect your rights.
A Federal Court authorized this notice. This is not a solicitation from a lawyer.

ATTENTION: If you **only** ever acquired Virtus common stock **before** January 25, 2013—including in 2009 in connection with the spin-off transaction by the Phoenix Companies, Inc. that created Virtus—you can ignore this notice. You are not a Class Member.

- Court-appointed representative for the Court-certified Class (defined in ¶ 24 below), Arkansas Teacher Retirement System ("Class Representative" or "Lead Plaintiff"), on behalf of itself and the Class, has reached a proposed settlement of the above-captioned securities class action (the "Action") for \$22,000,000 in cash that, if approved, will resolve all claims in the Action (the "Settlement").
- The Settlement, if approved by the Court, will: resolve claims in the Action that Virtus's investors were allegedly misled about, among other things, the April 1, 2001 "inception date" for the indices which Virtus's AlphaSector funds sought to track, and that, since that time, the performance of the AlphaSector indices had been achieved through live trading with real client assets; provide a cash payment to Class Members who timely submit valid claims that are entitled to a payment; and release Defendants and related persons and entities from liability. The terms and provisions of the Settlement are contained in the Stipulation.
- This notice explains important rights you may have, including your possible receipt of cash. **If you are a Class Member, your legal rights will be affected whether or not you act. Please read this notice carefully.**
- The Court in charge of the Action still has to decide whether to approve the Settlement.

1. **Description of the Action and the Class:** This notice relates to a proposed Settlement of claims in a pending securities class action brought by investors alleging, among other things, that defendants Virtus, Virtus Opportunities Trust ("VOT"), and George R. Aylward, Jeffrey T. Cerutti, and Francis G. Waltman (collectively, the "Individual Defendants," and, together with Virtus and VOT, the "Defendants") violated the federal securities laws by making false and misleading statements regarding certain mutual funds issued by VOT. A more detailed description of the Action is set forth in ¶¶ 11-23 below. If the Court approves the proposed Settlement, the Action will be dismissed with prejudice and members of the Class (defined in ¶ 24 below) will settle and release all Released Plaintiff's Claims (defined in ¶ 30 below) against the Defendants' Releasees (defined in ¶ 31 below).

2. **Statement of the Class's Recovery:** Subject to Court approval, Class Representative, on behalf of itself and the Class, has agreed to settle the Action in exchange for a settlement payment of \$22,000,000 in cash (the "Settlement Amount"). The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less (i) any Taxes; (ii) any and all Notice and Administration Costs; (iii) any attorneys' fees awarded by the Court; (iv) any Litigation Expenses awarded by the Court; and (v) any other costs or fees approved by the Court) will be distributed in accordance with a plan of allocation that is approved by the Court, which will determine how the Net Settlement Fund shall be allocated among members of the Class. The proposed plan of allocation (the "Plan of Allocation") is set forth in ¶¶ 39-66 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Class Representative's damages expert's estimate of the number of shares of publicly traded Virtus common stock purchased during the Class Period that may have been affected by the conduct alleged in the Action and assuming that all Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses and costs as described below) per eligible share is \$2.36. Class

¹ Any capitalized terms used in this notice that are not otherwise defined shall have the meanings given to them in the Stipulation and Agreement of Settlement, dated May 18, 2018 (the "Stipulation"), which can be viewed at www.VirtusSecuritiesLitigation.com.

Members should note, however, that the foregoing average recovery per share is only an estimate. Some Class Members may recover more or less than this estimated amount depending on, among other factors, the price at which they purchased shares of Virtus common stock, whether they sold their shares of Virtus common stock, and the total number and value of valid Claim Forms submitted. Distributions to Class Members will be made based on the Plan of Allocation set forth below (see pages 7-10 below) or such other plan of allocation as may be ordered by the Court.

4. **Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share that would be recoverable if Class Representative were to prevail in the Action. Among other things, Defendants do not agree with the assertion that they violated the federal securities laws or that any damages were suffered by any members of the Class as a result of their conduct.

5. **Attorneys' Fees and Expenses Sought:** Class Counsel, which have been prosecuting the Action on a wholly contingent basis since its inception in 2015, have not received any payment of attorneys' fees for their representation of the Class and have advanced the funds to pay expenses necessarily incurred to prosecute this Action. Court-appointed Class Counsel – Bernstein Litowitz Berger & Grossmann LLP and Labaton Sucharow LLP – will apply to the Court for an award of attorneys' fees in an amount not to exceed 25% of the Settlement Fund. In addition, Class Counsel will apply for payment of Litigation Expenses incurred in connection with the institution, prosecution, and resolution of the claims against the Defendants, in an amount not to exceed \$1,200,000, which amount may include an application for reimbursement of the reasonable costs and expenses incurred by Class Representative directly related to its representation of the Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. Estimates of the average cost per affected share of publicly traded Virtus common stock, if the Court approves Class Counsel's fee and expense application, is \$0.72 per share. **Please note that this amount is only an estimate.**

6. **Identification of Attorneys' Representatives and Further Information:** Class Representative and the Class are represented by John C. Browne, Esq. of Bernstein Litowitz Berger & Grossmann LLP, 1251 Avenue of the Americas, 44th Floor, New York, NY 10020, 1-800-380-8496, blbg@blbglaw.com, and Michael H. Rogers, Esq. of Labaton Sucharow LLP, 140 Broadway, New York, NY 10005, 1-888-219-6877, settlementquestions@labaton.com. Further information regarding the Action, the Settlement, and this notice may be obtained by contacting Class Counsel or the Court-appointed Claims Administrator at: *In re Virtus Investment Partners, Inc. Securities Litigation*, c/o GCG, P.O. Box 10489, Dublin, Ohio 43017-4089, 1-866-680-8403, info@VirtusSecuritiesLitigation.com, www.VirtusSecuritiesLitigation.com.

7. **Reasons for the Settlement:** Class Representative's principal reason for entering into the Settlement is the substantial immediate cash benefit for the Class without the risk or the delays inherent in further litigation. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery – or indeed no recovery at all – might be achieved after further contested motions, a trial of the Action, and the likely appeals that would follow a trial. This process could last several additional years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement to eliminate the uncertainty, burden, and expense of further protracted litigation.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT	
SUBMIT A CLAIM FORM ONLINE OR POSTMARKED NO LATER THAN OCTOBER 10, 2018.	This is the only way to be eligible to receive a payment from the Net Settlement Fund. If you are a Class Member, you will be bound by the Settlement as approved by the Court and you will give up any and all Released Plaintiff's Claims (defined in ¶ 30 below) that you have against Defendants and the other Defendants' Releasees (defined in ¶ 31 below), so it is in your interest to submit a Claim Form.
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS RECEIVED NO LATER THAN OCTOBER 3, 2018.	If you do not like the proposed Settlement, the proposed Plan of Allocation, and/or the request for attorneys' fees and payment of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation, or the fee and expense request unless you are a Class Member.
GO TO A HEARING ON OCTOBER 24, 2018 AT 10:00 A.M., AND FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS RECEIVED NO LATER THAN OCTOBER 3, 2018.	Filing a written objection and notice of intention to appear by October 3, 2018 allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the proposed Plan of Allocation, and/or the request for attorneys' fees and payment of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.
DO NOTHING.	If you are a member of the Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

The rights and options set forth above — and the deadlines to exercise them — are explained in this notice.

WHY DID I GET THIS NOTICE?

8. The Court directed that this notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired Virtus common stock during the Class Period. The Court has directed us to send you this notice because, as a potential Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit and the Settlement will affect your legal rights. If the Court approves the Settlement, and the Plan of Allocation (or some other plan of allocation), the Claims Administrator selected by Class Representative and approved by the Court will make payments pursuant to the Settlement after any objections and/or appeals are resolved.

9. The purpose of this Notice is to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, and the motion by Class Counsel for an award of attorneys' fees and payment of Litigation Expenses (the "Settlement Hearing"). See ¶¶ 69-70 below for details about the Settlement Hearing, including the date and location of the hearing.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

11. This case arises out of allegations that Defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934. Among other things, the Action alleges that, during the Class Period (*i.e.*, between January 25, 2013 and May 11, 2015, inclusive), Defendants told investors that the indices which Virtus's AlphaSector funds sought to track had an "inception date" of April 1, 2001, and that the performance of the AlphaSector indices had been achieved through live trading with real client assets since that time, when in fact Defendants knew or were reckless in not knowing that the AlphaSector indices did not come into existence until 2008. Further, in a January 2013 conference call, Virtus CEO (and Defendant) Aylward told investors that "[o]ur portfolio managers continued to deliver strong relative investment performance, and this performance has been a key driver of our high level sales and net flows," which allegedly omitted that a portion of that performance was attributable to Defendants' misleading statements concerning the AlphaSector indices. Defendants deny that these statements were made by Defendants, were false and misleading, or otherwise give rise to liability.

12. The Action was commenced in February 2015. On June 9, 2015, the Court issued an Order appointing the Arkansas Teacher Retirement System ("ATRS") as "Lead Plaintiff" pursuant to the Private Securities Litigation Reform Act of 1995. In the same Order, the Court approved Lead Plaintiff's selection of Bernstein Litowitz Berger & Grossmann LLP and Labaton Sucharow LLP as "Co-Lead Counsel" for the Class, and consolidated all related actions.

13. The operative complaint in the Action, the Consolidated Class Action Complaint (the "Complaint"), was filed on August 21, 2015. On October 21, 2015, Defendants filed and served their motion to dismiss the Complaint. On November 20, 2015, Lead Plaintiff filed and served its memorandum of law in opposition to the motion to dismiss and, on December 4, 2015, Defendants filed and served their reply papers. Oral argument on Defendants' motion to dismiss was held on December 17, 2015, and on July 1, 2016, the Court entered its Memorandum and Order largely denying Defendants' motion to dismiss and sustaining Lead Plaintiff's claims relating to the allegations described in ¶ 11 above.

14. Discovery in the Action commenced promptly after the Court denied Defendants' motion to dismiss on July 1, 2016, and continued until August 15, 2017. In connection with discovery, over 900,000 documents—constituting over five million pages—were produced, including over 600,000 documents from Defendants. In addition, over twenty depositions were taken, including fifteen fact witnesses. Multiple expert reports and rebuttal reports were also exchanged.

15. On November 7, 2016, Lead Plaintiff filed a motion for class certification. Following briefing on the motion and oral argument, on May 15, 2017, the Court issued an Order granting the class certification motion, certifying the Class as defined in ¶ 24 below, appointing ATRS as “Class Representative,” and appointing Co-Lead Counsel as “Class Counsel.”

16. On November 17, 2017, the Court granted Class Representative's unopposed motion, pursuant to Rule 23 of the Federal Rules of Civil Procedure, for approval of notice of the pendency of the Action and entered an Order approving the form, content, and method of notice to the Class (the “Notice Order”). Among other things, the Notice Order found that the form, content, and method of the notice of pendency of the Action met the requirements of Rule 23 and due process, constituted the best notice practicable under the circumstances, and constituted due and sufficient notice to all persons and entities entitled to receive notice.

17. On December 21, 2017, Class Counsel and Defendants' Counsel participated in a full-day mediation session before Jed D. Melnick, Esq. of JAMS (the “Mediator”). In advance of that session, the Parties provided detailed mediation statements and exhibits to the Mediator, which addressed the issues of both liability and damages. The session ended without any agreement being reached.

18. Beginning on January 22, 2018, the Notice of Pendency of Class Action (the “Class Notice”) was mailed to potential Class Members, and on February 1, 2018, the Summary Notice of Pendency of Class Action was published in the *Wall Street Journal* and *Financial Times* and transmitted over the *PR Newswire*.

19. The Class Notice provided Class Members with the opportunity to request exclusion from the Class, explained that right, and set forth the deadline and procedures for doing so. The Class Notice stated that it would be within the Court's discretion whether to permit a second opportunity to request exclusion if there is a settlement in the Action. The Class Notice informed Class Members that if they chose to remain a member of the Class, they would “be bound by all past, present, and future orders and judgments in the Action, whether favorable or unfavorable.” The deadline for requesting exclusion from the Class was March 23, 2018.²

20. On October 6, 2017, Defendants moved for summary judgment. Class Representative filed its opposition papers on December 4, 2017, and on December 22, 2017, Defendants filed their reply papers. Oral argument on Defendants' motion for summary judgment was held on January 18, 2018.

21. Trial of the Action was scheduled by the Court to begin on March 19, 2018.

22. On February 6, 2018, following extensive arm's-length negotiations, as well as additional efforts by the Mediator, the Parties reached an agreement in principle to settle the Action for \$22,000,000. On May 18, 2018, the Parties entered into the Stipulation, which sets forth the terms and conditions of the Settlement. The Stipulation can be viewed at www.VirtusSecuritiesLitigation.com.

23. On June 28, 2018, the Court preliminarily approved the Settlement, authorized this notice to be disseminated to potential Class Members, and scheduled the Settlement Hearing to consider whether to grant final approval of the Settlement.

**HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?
WHO IS INCLUDED IN THE CLASS?**

24. If you are a member of the Class, and not excluded as explained below, you are subject to the Settlement. The Class certified by Order of the Court consists of:

all persons and entities that, during the period between January 25, 2013 and May 11, 2015, inclusive, purchased or otherwise acquired shares of the publicly traded common stock of Virtus Investment Partners, Inc. and were damaged thereby.

By Order dated November 17, 2017, excluded from the Class by definition are: (i) Defendants; (ii) former Defendants; (iii) the affiliates, parents, and subsidiaries of Virtus and VOT; (iv) the Officers and directors of Virtus, VOT, and the affiliates, parents, and subsidiaries of Virtus and VOT during the Class Period; (v) members of the Immediate Family of any excluded person; (vi) any entity in which any excluded person or entity has or had during the Class Period a controlling interest; (vii) the legal representatives, heirs, successors, and assigns of any excluded person or entity; and (viii) persons and entities that timely and validly requested exclusion in the connection with the Class Notice, if any.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. ALSO, IF YOU ONLY EVER ACQUIRED VIRTUS COMMON STOCK BEFORE JANUARY 25, 2013—INCLUDING IN 2009 IN CONNECTION WITH THE SPIN-OFF TRANSACTION BY THE PHOENIX COMPANIES, INC. THAT CREATED VIRTUS—YOU ARE NOT A CLASS MEMBER.

² Pursuant to its Order Preliminarily Approving Settlement and Providing for Notice (“Preliminary Approval Order”) dated June 28, 2018, there is no second opportunity for seeking exclusion from the Class in connection with the Settlement.

IF YOU ARE A CLASS MEMBER AND YOU WISH TO BE ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION NO LATER THAN OCTOBER 10, 2018.

WHAT ARE CLASS REPRESENTATIVE'S REASONS FOR THE SETTLEMENT?

25. The Class Representative and Class Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against Defendants through trial and appeals, as well as the very substantial risks they would face in establishing liability at trial. For example, in addition to credible arguments concerning liability and scienter, Defendants forcefully argued in their motion for summary judgment that Class Representative cannot establish that Defendants' alleged false and misleading statements and omissions caused any investor losses. Specifically, Defendants argued that the drops in the price of Virtus common stock that Class Representative asserted were caused by Defendants' alleged fraud did not relate to the disclosure of any new information corrective of—or the materialization of any risks concealed by—Defendants' alleged false statements and omissions. At the time that the Parties agreed in principle to settle the Action, the Court had not yet decided Defendants' motion for summary judgment, and while Class Representative believes it had compelling arguments in response, Class Representative acknowledges that a serious risk exists that Defendants' arguments would persuade the Court to reduce dramatically, or even eliminate altogether, the damages that it could recover from Defendants. What's more, even if Class Representative successfully defeated Defendants' motion, Defendants would in all likelihood make the same arguments to a jury should this case proceed to trial.

26. In light of these risks, the amount of the Settlement, and the immediacy of recovery to the Class, Class Representative and Class Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Class. Class Representative and Class Counsel believe that the Settlement provides a substantial benefit to the Class, namely \$22,000,000 in cash (less the various deductions described in this notice), as compared to the risk that the claims in the Action would produce a smaller, or zero, recovery after trial and appeals, possibly years in the future.

27. Defendants have denied all claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have agreed to the Settlement solely to eliminate the distraction, burden, and expense of continued litigation. Accordingly, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

28. If there were no Settlement and Class Representative failed to establish any essential legal or factual element of its claims against Defendants, neither Class Representative nor the other members of the Class would recover anything from Defendants. Also, if Defendants were successful in proving any of their defenses at trial or on appeal, the Class could recover less than the amount provided in the Settlement, or nothing at all.

HOW ARE CLASS MEMBERS AFFECTED BY THE SETTLEMENT?

29. If you are a Class Member, you are bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the claims against Defendants and will provide that, upon the Effective Date of the Settlement, Class Representative and each of the other Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by the operation of law and of the judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Plaintiff's Claim (as defined in ¶ 30 below) against Defendants and the other Defendants' Releasees (as defined in ¶ 31 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Plaintiff's Claims against any of the Defendants' Releasees.

30. "Released Plaintiff's Claims" means all claims, demands, losses, rights, causes of action, liabilities, obligations, judgments, suits, matters, and issues of any kind or nature whatsoever, whether known claims or Unknown Claims, whether arising under federal, state, or foreign law, common law, statute, rule or regulation, whether individual or class in nature, that Lead Plaintiff or any other member of the Class: (i) asserted in the Complaint; or (ii) could have asserted in this Action or in any other forum, including without limitation any claims relating to alleged fraud, breach of any duty, negligence, violations of the federal securities laws, or otherwise, and including all claims within the exclusive jurisdiction of the federal courts, which Lead Plaintiff or any other Class Member ever had or now has, that arise out of, are based upon, or relate to the allegations, transactions, facts, matters or occurrences, representations or omissions involved, set forth, or referred to in the Complaint and that relate to the purchase or other acquisition of Virtus publicly traded common stock during the Class Period. Released Plaintiff's Claims do not include any claims relating to the enforcement of the Settlement. Also, for the avoidance of doubt, Released Plaintiff's Claims do not include: (i) any claims of any person or entity that submitted a request for exclusion from the Class in connection with the Class Notice and whose request is accepted by the Court; or (ii) if and only if the Court requires a second opportunity for Class Members to request exclusion from the Class, any claims

of any person or entity that submits a request for exclusion from the Class in connection with the Settlement Notice and whose request is accepted by the Court.

31. “Defendants’ Releasees” means Defendants and their respective current and former parent entities, business units, business divisions, affiliates or subsidiaries and each and all of their current and former officers, directors, attorneys, employees, agents, trustees, parents, affiliates, subsidiaries, attorneys, financial or investment advisors, consultants, accountants, investment bankers, commercial bankers, insurers, engineers, advisors, heirs, executors, trustees, general or limited partners or partnerships, personal representatives, estates, administrators, and each of their successors, predecessors, assigns, and assignees, and any of the Individual Defendants’ Immediate Family members.

32. “Unknown Claims” means any Released Plaintiff’s Claims which Lead Plaintiff or any other Class Member does not know or suspect to exist in his, her or its favor at the time of the release of such claims, and any Released Defendants’ Claims which any Defendant does not know or suspect to exist in his or its favor at the time of the release of such claims, which, if known by him, her or it, might have affected his, her or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiff and Defendants shall expressly waive, and each of the other Class Members shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Lead Plaintiff and Defendants acknowledge, and each of the other Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

33. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by the operation of law and of the judgement shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Defendants’ Claim (as defined in ¶ 34 below) against Class Representative and the other Plaintiff’s Releasees (as defined in ¶ 35 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants’ Claims against any of the Plaintiff’s Releasees.

34. “Released Defendants’ Claims” means all claims, demands, losses, rights, causes of action, liabilities, obligations, judgments, suits, matters, and issues of any kind or nature whatsoever, whether known claims or Unknown Claims, whether arising under federal, state, or foreign law, common law, statute, rule or regulation, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims asserted in the Action against Defendants. Released Defendants’ Claims do not include any claims relating to the enforcement of the Settlement. Also, for the avoidance of doubt, Released Defendants’ Claims do not include: (i) any claims against any person or entity that submitted a request for exclusion from the Class in connection with the Class Notice and whose request is accepted by the Court; or (ii) if and only if the Court requires a second opportunity for Class Members to request exclusion from the Class, any claims against any person or entity that submits a request for exclusion from the Class in connection with the Settlement Notice and whose request is accepted by the Court.

35. “Plaintiff’s Releasees” means Lead Plaintiff and all other Class Members, and their respective current and former parent entities, business units, business divisions, affiliates or subsidiaries and each and all of their current and former officers, directors, attorneys, employees, agents, trustees, parents, affiliates, subsidiaries, attorneys, financial or investment advisors, consultants, accountants, investment bankers, commercial bankers, insurers, engineers, advisors, heirs, executors, trustees, general or limited partners or partnerships, personal representatives, estates, administrators, and each of their successors, predecessors, assigns, and assignees.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

36. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Class and you must timely complete and return the Claim Form with adequate supporting documentation **postmarked or submitted online using the case website no later than October 10, 2018**. A Claim Form is included with this notice, or you may obtain one from the case website maintained by the Claims Administrator, www.VirtusSecuritiesLitigation.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 1-866-680-8403 or by emailing the Claims Administrator at info@VirtusSecuritiesLitigation.com. Please retain all records of your ownership of and transactions in Virtus common stock, as they may be needed to document your Claim. If you do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

37. Participants in and beneficiaries of any employee retirement and/or benefit plan (“Employee Plan”) should NOT include any information relating to shares of Virtus common stock purchased/acquired through an Employee Plan in any Claim Form they submit in this Action. They should include ONLY those shares of Virtus common stock purchased/acquired during the Class Period outside of an Employee Plan. Claims based on any Employee Plan(s)’ purchases/acquisitions of eligible Virtus common stock during the Class

Period may be made by the Employee Plan(s)' trustees. To the extent any of the Defendants or any of the other persons or entities excluded from the Class are participants in an Employee Plan(s), such persons or entities shall not receive, either directly or indirectly, any portion of the recovery that may be obtained from the Settlement by such Employee Plan(s).

38. Unless the Court otherwise orders, any Class Member who fails to submit a Claim Form online or postmarked on or before October 10, 2018 shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Class Member releases the Released Plaintiff's Claims (as defined in ¶ 30 above) against the Defendants' Releasees (as defined in ¶ 31 above) and will be barred and enjoined from filing, prosecuting, or pursuing any of the Released Plaintiff's Claims against any of the Defendants' Releasees whether or not such Class Member submits a Claim Form.

HOW MUCH WILL MY PAYMENT BE? WHAT IS THE PROPOSED PLAN OF ALLOCATION?

39. At this time, it is not possible to make any determination as to how much any individual Class Member may receive from the Settlement.

40. Pursuant to the Settlement, Defendants have paid \$22,000,000 in cash. The Settlement Amount has been deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less (i) any Taxes, (ii) any and all Notice and Administration Costs, (iii) any attorneys' fees awarded by the Court; (iv) any Litigation Expenses awarded by the Court; and (v) any other costs or fees approved by the Court) will be distributed to Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve. The Court may revise the Plan of Allocation without notifying the Class. Any modified plan of allocation will be posted on the website for the Action, www.VirtusSecuritiesLitigation.com.

41. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

42. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund, or the Plan of Allocation.

43. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

44. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Class Member.

45. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

46. Only Class Members or persons authorized to submit a Claim on their behalf will be eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Class by definition or that previously validly excluded themselves from the Class pursuant to request in connection with the Class Notice will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms.

PROPOSED PLAN OF ALLOCATION

47. The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund to those Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

48. In developing the Plan of Allocation, Class Representative's damages expert calculated the estimated amount of artificial inflation in the per share closing price of Virtus common stock which allegedly was proximately caused by Defendants' alleged false and misleading statements and material omissions. In calculating the estimated artificial inflation allegedly caused by Defendants' alleged misrepresentations and omissions, Class Representative's damages expert considered price changes in Virtus common stock in reaction to certain public announcements allegedly revealing the truth concerning Defendants' alleged misrepresentations and material omissions, adjusting for price changes that were attributable to market or industry forces. The estimated artificial inflation in Virtus common stock is stated in Tables A-1 and A-2 at the end of this notice.

49. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be, among other things, the cause of the decline in the price or value of the security. In this case, Class Representative alleges that Defendants made false statements and omitted material facts during the Class Period, which had the effect of artificially inflating the price of Virtus common stock. Class Representative further alleges that corrective information was released to

the market on: September 3, 2014 (at 2:14 p.m. New York time),³ September 17, 2014 (after the close of trading), November 14, 2014 (at 10:40 a.m. New York time),⁴ April 14, 2015 (prior to the opening of trading), and May 11, 2015 (prior to the opening of trading), which partially removed the artificial inflation from the price of Virtus common stock on: September 3-5, 2014, September 18, 2014, November 14-17, 2014, April 14, 2015, and May 11, 2015.

50. Recognized Loss Amounts are based primarily on the difference in the amount of alleged artificial inflation in the price of Virtus common stock at the time of purchase or acquisition and at the time of sale or the difference between the actual purchase price and sale price. Accordingly, in order to have a Recognized Loss Amount under the Plan of Allocation: (i) shares of Virtus common stock purchased/acquired prior to the first partial corrective disclosure on September 3, 2014 at 2:14 p.m. New York time must have been held through at least 2:14 p.m. New York time on September 3, 2014; (ii) shares of Virtus common stock purchased/acquired at or after 2:14 p.m. New York time on September 3, 2014 must have been held through at least the close of trading on September 4, 2014; and (iii) shares of Virtus common stock purchased/acquired on or after September 5, 2014 must have been held through at least one of the later dates where new corrective information was released to the market and partially removed the artificial inflation from the price of Virtus common stock.

51. Based on the formula stated in ¶ 52 below, a “Recognized Loss Amount” will be calculated for each purchase or acquisition of Virtus publicly traded common stock during the Class Period (*i.e.*, from January 25, 2013 through and including the close of trading on May 11, 2015, inclusive), that is listed on the Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that number shall be zero.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

52. For each share of Virtus publicly traded common stock purchased or otherwise acquired during the period from January 25, 2013, through and including the close of trading on May 11, 2015, and:

- i. Sold before September 3, 2014, 2:14 p.m. New York time, the Recognized Loss Amount will be \$0.00.
- ii. Sold during the period from September 3, 2014 at or after 2:14 p.m. New York time through and including the close of trading on May 10, 2015, the Recognized Loss Amount will be **the lesser of**: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table A-1 *minus* the amount of artificial inflation per share on the date of sale as stated in Table A-2; or (ii) the purchase/acquisition price (excluding all fees, taxes, and commissions) *minus* the sale price (excluding all fees, taxes, and commissions).
- iii. Sold during the period from May 11, 2015 through and including the close of trading on August 7, 2015, the Recognized Loss Amount will be **the least of**: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table A-1; (ii) the purchase/acquisition price (excluding all fees, taxes, and commissions) *minus* the sale price (excluding all fees, taxes, and commissions); or (iii) the purchase/acquisition price (excluding all fees, taxes, and commissions) *minus* the average closing price between May 11, 2015 and the date of sale as stated in Table B at the end of this notice.
- iv. Held as of the close of trading on August 7, 2015, the Recognized Loss Amount will be **the lesser of**: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table A-1; or (ii) the purchase/acquisition price (excluding all fees, taxes, and commissions) *minus* \$126.21, the average closing price for Virtus common stock between May 11, 2015 and August 7, 2015 (the last entry on Table B).⁵

ADDITIONAL PROVISIONS

53. **FIFO Matching:** If a Class Member made more than one purchase/acquisition or sale of Virtus common stock during the Class Period, all purchases/acquisitions and sales will be matched on a First In, First Out (“FIFO”) basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

³ With respect to the partial corrective disclosure that occurred on September 3, 2014, Class Representative contends that the alleged artificial inflation was removed from the price of Virtus common stock over three days: September 3, 2014, September 4, 2014, and September 5, 2014. On September 5, 2014, there was information released to the market that clarified the link between the news and the implications for Virtus common stock.

⁴ With respect to the partial corrective disclosure that occurred on November 14, 2014, Class Representative contends that the alleged artificial inflation was removed from the price of Virtus common stock over two days: November 14, 2014 and November 17, 2014.

⁵ Under Section 21D(e)(1) of the Exchange Act, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.” Consistent with the requirements of the statute, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Virtus common stock during the “90-day look-back period,” May 11, 2015 through August 7, 2015, inclusive. The mean (average) closing price for Virtus common stock during this 90-day look-back period was \$126.21.

54. **“Purchase/Sale” Dates:** Purchases or acquisitions and sales of Virtus common stock will be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. The receipt or grant by gift, inheritance, or operation of law of Virtus common stock during the Class Period shall not be deemed a purchase or acquisition of Virtus common stock for the calculation of a Claimant’s Recognized Loss Amount, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of Virtus common stock unless (i) the donor or decedent purchased or otherwise acquired Virtus common stock during the Class Period; (ii) the instrument of gift or assignment specifically provides that it is intended to transfer such rights; and (iii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such Virtus common stock shares.

55. **Short Sales:** The date of covering a “short sale” is deemed to be the date of purchase or acquisition of the Virtus common stock. The date of a “short sale” is deemed to be the date of sale of the Virtus common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on “short sales” and the purchases covering “short sales” is zero.

56. In the event that a Claimant has an opening short position in Virtus common stock, the earliest purchases or acquisitions of Virtus common stock during the Class Period will be matched against such opening short position, and not be entitled to a recovery, until that short position is fully covered.

57. **Common Stock Purchased/Sold Through the Exercise of Options:** With respect to Virtus publicly traded common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

58. **Calculation of Claimant’s “Recognized Claim”:** A Claimant’s “Recognized Claim” under the Plan of Allocation will be the sum of his, her, or its Recognized Loss Amounts as calculated above.

59. **Market Gains and Losses:** With respect to all Virtus common stock shares purchased or acquired during the Class Period, the Claims Administrator will determine if the Claimant had a “Market Gain” or a “Market Loss” with respect to his, her, or its overall transactions in Virtus publicly traded common stock during the Class Period. For purposes of making this calculation, the Claims Administrator shall determine the difference between (i) the Claimant’s Total Purchase Amount⁶ and (ii) the sum of the Claimant’s Total Sales Proceeds⁷ and the Claimant’s Holding Value.⁸ If the Claimant’s Total Purchase Amount minus the sum of the Claimant’s Total Sales Proceeds and the Holding Value is a positive number, that number will be the Claimant’s Market Loss; if the number is a negative number or zero, that number will be the Claimant’s Market Gain.

60. If a Claimant had a Market Gain with respect to his, her, or its overall transactions in Virtus common stock during the Class Period, the value of the Claimant’s Recognized Claim will be zero, and the Claimant will in any event be bound by the Settlement. If a Claimant suffered an overall Market Loss with respect to his, her, or its overall transactions in Virtus common stock during the Class Period but that Market Loss was less than the Claimant’s Recognized Claim, then the Claimant’s Recognized Claim will be limited to the amount of the Market Loss, and the Claimant will in any event be bound by the Settlement.

61. **Determination of Distribution Amount:** If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share will be the Authorized Claimant’s Recognized Claim divided by the sum total amount of the Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

62. If the Net Settlement Fund exceeds the sum total amount of the Recognized Claims of all Authorized Claimants entitled to receive payment out of the Net Settlement Fund, the excess amount in the Net Settlement Fund will be distributed *pro rata* to all Authorized Claimants entitled to receive payment.

63. If an Authorized Claimant’s Distribution Amount calculates to less than \$10.00, no distribution will be made to that Authorized Claimant.

64. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund nine (9) months after the initial distribution, if Class Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and

⁶ The “Total Purchase Amount” is the total amount the Claimant paid (excluding all fees, taxes, and commissions) for all shares of Virtus common stock purchased/acquired during the Class Period.

⁷ The Claims Administrator shall match any sales of Virtus common stock during the Class Period first against the Claimant’s opening position in the stock (the proceeds of those sales will not be considered for purposes of calculating market gains or losses). The total amount received (excluding all fees, taxes, and commissions) for sales of the remaining shares of Virtus common stock sold during the Class Period is the “Total Sales Proceeds.”

⁸ The Claims Administrator shall ascribe a “Holding Value” of \$116.27 to each share of Virtus Common Stock purchased/acquired during the Class Period that was still held as of the close of trading on May 11, 2015.

who would receive at least \$10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distributions may occur thereafter if Class Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance will be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s), to be recommended by Class Counsel and approved by the Court.

65. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Class Representative, Class Counsel, Class Representative's damages expert, Defendants, Defendants' Counsel, or any of the other Plaintiff's Releasees or Defendants' Releasees, or the Claims Administrator or other agent designated by Class Counsel arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Class Representative, Defendants, and their respective counsel, and all other Defendants' Releasees, shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund; the Plan of Allocation; the determination, administration, calculation, or payment of any Claim or nonperformance of the Claims Administrator; the payment or withholding of Taxes; or any losses incurred in connection therewith.

66. The Plan of Allocation set forth herein is the plan that is being proposed to the Court for its approval by Class Representative after consultation with its damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the website for the Action, www.VirtusSecuritiesLitigation.com.

**WHAT PAYMENTS ARE THE ATTORNEYS FOR THE CLASS SEEKING?
HOW WILL THE LAWYERS BE PAID?**

67. As a Class Member, you are represented by Class Representative and Class Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section entitled, "When And Where Will The Court Decide Whether To Approve The Settlement?," below.

Before final approval of the Settlement, Class Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 25% of the Settlement Fund. At the same time, Class Counsel also intend to apply for payment of Litigation Expenses in an amount not to exceed \$1,200,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Class Representative directly related to its representation of the Class. The Court will determine the amount of any award of attorneys' fees or payment of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses.
